

Alyth Town Hall - built in the 1870's

The Hall is sited on Albert Street but on a corner site that can be approached via either Victoria or St Andrews Streets with parking for up to six cars (one disabled) and a drop-off point on Albert Street at the front doors (including disabled access).

FOYER & KITCHEN

Entrance at this level is into the main foyer off which are the Kitchen area (suitable for food preparation and the use of caterers for weddings or parties etc). Direct access to the main Hall from the kitchen is possible. The foyer also provides access to the upstairs main hall balcony, which seats 60 people in ramped cinema type seating. From here it is possible to access the outside balcony.

GRAND HALL

Two further doors lead directly from the foyer entrance into the grand hall. Quality seating for up to 200 people is provided together with tables if required.

At the far end of the hall is a stage/platform that is regularly used for musical stage plays, band concerts, dances and civic events etc. The hall is multipurpose and can be used for most purposes from being the local and national polling station, to weddings, birthday parties, table sales, exhibitions, etc.

RESTROOMS

Exit by the left hand side door of the hall gives access to the Ladies and the Disabled toilet at the main hall floor level. Downstairs from here leads to the Office, Gents toilet and rear access door. It also provides access to the downstairs function room and the fully floored cellar.

COUNCIL CHAMBERS

Exit by the right hand side door of the stage leads to a short flight of stairs (disabled lift fitted) to the back of the stage and three further meeting/conference rooms which are the Council Chambers (a period room, decorated as it was built) and where the Halls committee, Community Council and local Councillors hold surgeries.

LESSER HALL & LADIES ROOM

Either side of the Council Chambers is the Lesser Town Hall a small function/meeting room for up to 50 people. Both rooms are furnished with quality furniture. In addition there is a small ladies room (with en suite toilet facilities and another separate Gents toilet room. Useful for a major function e.g. the annual Musical takes place for a week or so and the stage is extended and these rear rooms are used for dressing and make up. There is a side door, limited access, entrance to the hall at this point.

GROUND HALL

The downstairs function room has a solid tiled floor, it is well lit and has a sink and power points. As with the rest of the building it benefits from a Gas fired CH from and industrial sized boiler.

CELLAR

The cellar leading off from the basement has a concrete floor and provides storage for a lot of equipment including the Alyth Christmas street lights throughout the summer, trestle tables and chairs for use at most of Alyth's outside functions, and these can be hired for little cost.
